Immune Strength

artgerecht

For Your Daily Protection

IMMUNE STRENGTH is a set of Lactoferrin CLN®, all essential vitamins and minerals, and a powerful combination of Turmeric, Ginger, and Saffron.

A strong immune system is crucial. Especially during high viral exposure, but also with allergies, our body's defense is put to the test. We can actively strengthen our immune system.

- Iron binding and transport
- Supports the immune system
- Curcumin-ginger-saffron combination
- Vital and micronutrients
- Anti-inflammatory synergy

For your universal protection

As one of the most valuable proteins in the body, lactoferrin is a natural component of the immune system.

Lactoferrin CLN® is extracted with Europe's most advanced processing equipment, purified, and harmful contaminants (e.g., angiogenin) are completely removed

- Part of the body's own immune system
- Highly pure (97%+)
- Natural iron binder and transporter
- Iron binding
- Completely depleted of angiogenin

Ingredients

Lactoferrin CLN® from cow's milk¹, capsule shell: Hydroxypropylmethylcellulose.
