Storage Conditions & Mandatory Information

Store sealed at room temperature. Keep out of reach of children. Protect from direct sunlight and moisture. Do not exceed the recommended daily intake. Food supplements are not a substitute for a balanced and varied diet and a healthy lifestyle. This product contains natural ingredients; therefore, color, taste, and smell may vary slightly between batches. These variations are due to the natural properties of the ingredients, which can change with each harvest, but they do not affect the quality of the product.

Why Thyroid Complex from artgerecht?

- Optimal support for thyroid function
- Contains high doses of iodine, selenium, and zinc
- Promotes hormonal balance
- 100% natural ingredients (organic compounds)
- Free of contaminants, tested in German laboratories
- Plant-based and non-GMO

Declaration of Conformity

for general consumption foods, dietetic foods, and dietary supplements in pre-packaged form

The artgerecht GmbH hereby declares, with binding effect and specific to the product, the compliance of the following product with food and metrology regulations:

Unique Product Designation: Thyroid Complex

PZN: 19631921

The artgerecht GmbH confirms, within the scope of its responsibility as a food business operator pursuant to § 3 No. 6 LFGB, that both the production and the quality of **Thyroid Complex** have been carried out under constant control and in compliance with all applicable food and metrology regulations in Germany. These include, in particular, in addition to all other relevant legal provisions:

- the Food and Feed Code (LFGB);
- Regulation (EC) No. 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority, and laying down procedures in matters of food safety;
- Regulation (EU) No. 1169/2011 of the European Parliament and of the Council on the provision of food information to consumers (Food Information Regulation);
- the Measurement and Calibration Act (MessEG);
- the Pre-Packaging Regulation (FertigPackV).

All production processes were carried out under constant control by the artgerecht GmbH, in compliance with applicable food hygiene requirements and adherence to Good Manufacturing Practices.

The artgerecht GmbH undertakes to issue this declaration again, unprompted, as soon as significant changes in production affect compliance, or when relevant changes to the applicable legal regulations or new scientific findings relevant to the compliance of **Thyroid Complex** arise.
