The artgerecht GmbH hereby declares, with binding effect and specific to the product, the compliance of the following product with food and metrology regulations:

Unique Product Designation: Spermidin Longevity

PZN: 19345434

The artgerecht GmbH confirms, within the scope of its responsibility as a food business operator pursuant to § 3 No. 6 LFGB, that both the production and the quality of **Spermidin Longevity** have been carried out under constant control and in compliance with all applicable food and metrology regulations in Germany. These include, in particular, in addition to all other relevant legal provisions:

- the Food and Feed Code (LFGB);
- Regulation (EC) No. 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority, and laying down procedures in matters of food safety;
- Regulation (EU) No. 1169/2011 of the European Parliament and of the Council on the provision of food information to consumers (Food Information Regulation);
- the Measurement and Calibration Act (MessEG);
- the Pre-Packaging Regulation (FertigPackV).

All production processes were carried out under constant control by the artgerecht GmbH, in compliance with applicable food hygiene requirements and adherence to Good Manufacturing Practices.

The artgerecht GmbH undertakes to issue this declaration again, unprompted, as soon as significant changes in production affect compliance, or when relevant changes to the applicable legal regulations or new scientific findings relevant to the compliance of **Spermidin Longevity** arise.
